**INFORMATION DISCLOSURE STATEMENT**

Counsel for Applicant has become aware of Adams et al. U.S. Patent No. 6,363,485, a copy of which is enclosed, together with an appropriate Information Disclosure Statement form.

It is believed that Applicant's claims clearly distinguish Applicant's invention over the subject matter of Adams et al. It is noted, for example, that Adams et al. does not refer to a gaming device.

No item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office or in a counterpart foreign application, and, to the knowledge of the undersigned, no item of information contained in the Information Disclosure Statement was known to any individual designated in Section 1.56(c) more than three months prior to the filing of the Information Disclosure Statement.

Respectfully submitted,
